President's Message

MERRY CHRISTMAS AND HAPPY NEW YEAR

We have had a very active and eventful year in 2010 and it looks like 2011 will be the same.

I take this time to thank everyone for participating in the Art Center in any way, as it does take all of us to make it successful. It has only been six months since I became President, and within that short time, I have seen a lot of activity.

I want to welcome Sallee Gasser to our Board as interim Treasurer for the Art Center. She is well-known throughout our community and comes highly recommended to us. She is wanting to be involved in the Art Center, so what other way than to jump right in! With her past experiences as treasurer of numerous organizations, and most recently the Democratic Committee, she will be an asset to our Center. She will begin her training in January.

At this time, the only other piece of information that I would like to direct your attention to, is the enclosed brochure of scheduled classes for 2011. As you can see, we are going to have a full year for you. With the exception of the pay-as-you-go classes, all classes will need a registration deposit at the time of signing up for the classes. We are looking forward to a bounty of information coming our way from these professionals.

Although there are a few children classes included in the brochure, a Children's Class schedule will be coming out the end of January, just as soon as our ISU Grad students are back in class and they have their schedules for 2011,

Look over the brochure and save the dates of those classes you must take! This advance notice of these classes this year, will allow you time to save for any and all you want!!

Carolyn Purnell

NOTE: Look for the enclosed CLASS BROCHURE.
